BF GOLD STAR—An outstanding bull, the best of my crop. He has looked the part of a stock bull since birth. His sire, Uppermill Alert, was second top in the Uppermill bull sale, and his dam is sired by Tolquhon Rostrum, son of Pittodrie Banker that left us several good females. Gold Star has a great head, is low-set, and thick.

Right: LOUADA FORTUNE, Lot 6. A full sister is in the John Alexander herd and his dam is a maternal sister to Vaughn Moore's Louada Valiant, many times champion last year.

Left: Isn't this a beautiful cow? She is Louada Princess Royal 3d, dam of Louada Fortune, Lot 6. A daughter of this cow is shown on Page 25.

Right: UPPERMILL ALERT, sire of Lot 7, was bought at \$2,950 in the 1953 Mathers sale and has been a sire of very popular calves for Harold Bacon. His dam is a full sister to Uppermill Austin.

BRAEMOR PRESIDENT 9th is typical of the many "Presidents" by imported Tolquhon President that have made breed history. The 9th was grand champion of a Nebraska State Fair before he began siring a lot of good cattle for Prescott Down. Another "President" was champion of the 1957 Omaha sale. His sire is grandsire of Lot 8, consigned by Nelson Farms, and of Lot 11, consigned by Prescott Down.

BAR MAR ATTENTION—Here is undoubtedly the best son of Aldie Kinsman we have raised. We had planned to keep him, but with prospects of Army duty for Francis Barry, it necessitates cutting down the herd and so this bull is now available to some other good herd. We have used this bull and he is not fat, but in good shape and will make a good senior yearling show bull next summer. His dam is a good cow by Marellbar Attention.

Left: LOUADA PRINCESS ROYAL 4th was bought by John Alexander & Sons for \$2,700 in the 1955 Louada sale. She is the dam of Lot 26 as well as the dam of Melbourne Fortress, service sire of Lots 33 and 37, in the T. W. Gavin & Son's consignment, and Lot 6 is a full brother.

Right: CALROSSIE VALIANT was bought by John Alexander & Sons at Perth in 1954. He is a full brother to Calrossie Highland Welcome whose 16 sons have averaged over \$5,500 at Perth. He is sire of Lots 22, 26, 41 and 55, for the Alexanders, and Lot 39 for Chas. Doubet.

Left: LEVELDALE CLIMAX, sire of Lot 24, has been a good producing bull for Mathers Bros. Two daughters in the 1957 Leveldale sale averaged \$1,300. His sire is the many times state and national show champion, Aldie Mainliner.

WERNACRES ADONIS 10th—A son of Aldie Chief Adonis and out of a dam by Tolquhon President that does not need a long, fancy footnote. He's a good one. The only thing wrong with this calf is that he will only be 11 months old at sale date, but time will cure that and he is certainly worth waiting for. Experts say he is outstanding.

BURNTON EVERLASTING—an unretouched photo taken at six years of age. He is sire of Lots 28, 31 and 51 and has as his sire the great Corrimony Golden Sovereign. He is producing top calves for Anthony Petkus.

Right: WERNACRES ADONIS 6th, by Aldie Chief Adonis, sire of Lot 29, was sold last summer as a young calf to Williams Co. of North Dakota, for \$2,500. Another son of the same sire was champion of the 1957 Illinois state sale for H. L. Wernicke & Son.

RED FORMULA—The first son of the red, imported Rankeilour Maestro, bought in the Mathers sale two years ago, he a grandson of Kirkton Baronet. He was weaned young and would not take a nurse cow, but he will speak for himself on sale day as a good doing calf. He is a little young to sell at best advantage, but if you can wait for him he should be a good one and well worth waiting for. His dam is one that was bought for me in the Gardhouse sale and looks like she will be a real producer.

Great bulls are out of great dams. This group includes some of the top in North America and Scotland and belong to John Alexander & Sons, consignors of two bulls and two females.

Left: HELMOR PURVIS 361, service sire of Lot 31, was top bull at \$3,000 in the 1956 Marellbar Sale, bought by Anthony Petkus. He is by the \$22,500 Cuggleton Purvis and his dam is a granddaughter of the Perth Reserve champion, Mount Banker.

Right: Three beautiful daughters of Burnton... Everlasting, sire in the Petkus consignment. The heifer at the left is the dam of Lot 27.

PRAIRIE KNOLL AUGUSTA 12th—A daughter of the International reserve champion, Leveldale News Flash and from Prairie Knoll Augusta 2d, a second in class at the Illinois State Fair and an excellent producer. This heifer stood at or near the top on the Eastern Illinois fair circuit last year and is the right kind. We should be keeping her but have a few half-sisters. Will be bred before sale day to Prairie Knoll Brigand, an excellent son of News Flash and from an Aldie Mainliner cow.

KAIR RANGER, reserve grand champion bull of the 1957 International Livestock Show, is a son of Calrossie Crocus Count. Service sire of Lot 34, Morphie Count, is by the same sire, and a half-brother sired Lot 56 in the Paul Halbersleben consignment.

BRIDEGROOM'S MASTERPIECE was second in a class of 29 at the 1956 International for Malcolm Tucker & Son and is by Bridegroom 22d, sire of Lots 14 and 34, and he is out of the dam of Lot 36.

MELBOURNE FORTRESS, a junior sire in the T. W. Gavin & Son's herd, is service sire of Lots 33 and 37, and Lot 26 is out of his dam.

BAMBI GLOSTER 8th—By Bridegroom 22d and therefore a half-sister to Bridegroom's Masterpiece, a second prize winner at the 1956 International that sold to B. Hollis Hanson, Connersville, Ind., and also a half-sister to the Shorthorn champion carcass steer on-the-hoof at the 1957 International. Bred to Morphie Count, half-brother to Marellbar's res. grand champion bull, 1957 International. Vaccinated.

These two bulls won first in 20 two-bull groups at the 1957 International for Louada Farms. The one at the right (Louada Ranger) was reserve junior champion of the show and is a junior sire at Louada. He is by Louada Sensation, service sire of Lots 35 and 42, and herd sire for W. K. Barry & Sons.

Left: CURTISS CANDY C FAVOR should have a page to himself because he has sired more champions in these state sales in the last seven years than any other bull. These include the female champion last year, both female champions and the bull champion in 1955. In those seven years the Gavins have had eight champions in these state sales, more than any other herd in the seven-year period and all of this blood is represented in this sale.

Right: MARELLBAR CERTIFICATE did such a great job of siring top cattle for John Alexander & Sons that as a mature bull he went at a four-figure price to the Clarence Borger herd of Colorado. He is grandsire of Lots 33 in the Gavin consignment, and 39 in the Charles Doubet consignment.

STANDARD GUARANTEE

OF

AMERICAN SHORTHORN BREEDERS'

ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
 2. All bulls are guaranteed breeders, providing they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
 3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
 4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
 5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or county into which they may be shipped.
 6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
 7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
- All prospective buyers should check health requirements of their states.
- All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calftlood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
